Make up an addition and a multiplication sum to calculate the number of dots in each array.

```
\bullet\bullet\bullet\bullet\bullet\bullet\bullet\bullet
\bullet\bullet\bullet\bullet\bullet\bullet\bullet\bullet
```

```
-○○○○○○○
--`````
```

```
-0-00-0
\bullet\bullet\bullet\bullet\bullet\bulletO
-0-0-0-0
O-00000
-00-000
\bullet00-0-0
```

## -00 - - 0 <br> $\bigcirc \bullet \bullet \bullet \bullet \bullet \bullet$

-००० -०००
$\bullet \bullet \bullet \bullet \bullet \bullet \bullet$
$\bullet \bullet \bullet \bullet \bullet \bullet \bullet$
-००० -०००
$\bullet \bullet \bullet \bullet \bullet \bullet \bullet$
